E G Y M

How to change your New YMCA Member App Bio Age Picture from female to male or vice versa.

How to change your Gender under profile information.

1. Log into the Main EGYM Website at: https://www.egym.com/user-login
2. Use the same email and password you use for the YMCA Member App
3. Under User Data Click the underlined Edit link.
4. Edit your information and hit the orange SAVE Button.
5. You can also edit other information under the "Training Settings" Make sure you save that as well.

*Information saved on the EGYM website will carry over to the new YMCA Member App.
